

CENTENNIAL PARK, CENTRAL SAANICH

This is a one booter that will take about 1.25 hours. There's one fairly long uppy but it'll be fine if you just take your time. The start point is on the roadside of Wallace Drive, behind Stelly's Secondary School's playing field.

1. From the car walk down the track that leads from behind the bus stop along the edge of the playing field. Pass the school building until you get to the parking lot and continue on to Stelly's Cross Road where you turn right. There's a wide verge on the right hand side that will take you down towards Wallace Drive. Just before you get to Wallace cross the road and take Holm Road in to Centennial Park.
2. Once in the park, carry straight on and make your way through the park to the changing rooms (there are a couple of routes – just don't go downhill to the left!). At the changing rooms there are public toilets. Walk through the parking area to the next road and you'll come to the lawn bowling facility. Turn right and then left, along the fence surrounding the lawn bowling area. Directly ahead there's a short trail that brings you to Prosser Road where you turn right and then left down Sigmar Place. At the end of the cul-de-sac there's a short path that brings you Colin Place where you turn left.
3. At the end of Colin Place there is a short path running between the houses that will bring you to another cul-de-sac, at the end of which you turn left down Cultra Avenue. Cultra ends at the bottom of the hill and you just keep on going straight on. Next, you'll come to a T-Junction where you turn left.
4. Cross the creek and proceed up the hill that runs straight ahead. The trail ends at Prosser Road where you turn right. Continue along Tomlinson Road until you come to the next road junction where you turn left. Where the road ends you'll find a trail leading down a hill to a bridge across a river. On the other side of the bridge, turn right and keep the creek on the right hand side until you come to another bridge. Cross the bridge and go up a short hill to a wide track which will bring you back to Tomlinson Road where you turn left.
5. Tomlinson will bring you back to Stelly's Cross Road. Cross over to the school and find your way back to the cars along the side of the school building.
