Logan Lake from Layritz Park. A one-booter with one uppy bit

There's a trail that runs parallel to Interurban. About 100m along it you'll see a gap which will lead you out to the road

Parking Lot

From the parking lot follow the Glendale Trail back to the vehicles

Turn West off Wilkinson Road at the Cornerstone Pentacostal Church

A short distance up Trevlac Place is the entrance to Calvert Park. There's a bit of a scramble to get up a short section but the trail leads to a good view over Trevlac Pond. Note the spelling of the road, the park and the pond! There's a bench that makes for a good place to take a break.
